BELABIED REDOUANE

INTERNSHIP APPLICATION

- Ain Temouchent,Algeria
- +213781449767
- hr_belabied@esi.dz
- Belabied Redouane
- REDOUANE BELABIED

PROFIL PERSONNEL

Computer Science Engineering student. Interested in Machine Learning, Deep Learning,Compilation and Networking.

SKILLS

Programming languages:
C&C++/Dart/Python/Java/Javascript/C#

Framworks:
.NET/Flutter/ReactJS/JavaFX

Database:
MySQL/Oracle/Firebase/SQLlite

Design:
Figma/UML

Tools:
GIT&Github/Json/Rest/

LANGUAGES

Arabic
Native or Bilingual Proficiency

Engish
Full Professional Proficiency

French
Professional Working Proficiency

WORK EXPERIENCE

NETWORK INTERSHIP

at SONELGAZ　　　　09/2021 - 10/2021

- Configuring the LAN of the direction at Ain Temouchent

AI SCHOOL MEMBER

at School of AI Algiers　　　　09/2020 - present

EDUCATION

Computer Science Engineering Degree

at Higher School of Computer Science

09/2017 - present
Now

- 4th year student

Secondary School Degree

at Maths' High School -Kouba-Algiers

09/2014 - 07/2017
Certificat

- Mathematic Stream baccalaureate

TECHNICAL SKILLS

Machine Learning

- Coursera-Machine learning by stanford university
- Supervised and Unsupervised learning,SVM,computer vision,clustering,neural networks

Deep learning

- Coursera-Deep Learning Specialization Course
- Artificial Neural Network,Convolutional Neural Network
- Python Programming,Tensorflow,Scikit-Learn,Pandas

High Performance Computing

- C API's : PThread, OpenMP, OpenMPI, CUDAC

Compilation

- Lexical analysis,parsing,semantic analysis,code optimization

Networking

- CCNA1,2 Issued by Cisco Networking Academy
- IP Subnetting,Security fundamentals,routing and switching

Mobile Developement

- Cross platform (Android,iOS) using Flutter and Dart

Front-end web development

- HTML,CSS,JavaScript,ReactJS
